Thirty-Fourth Annual
Elite Red Deer Sale
Wednesday 13th January 2021
1:30pm on the property at Balfour

A warm welcome to the Netherdale Red Deer Sale 2021.

2020 has been challenging to say the least with covid 19 causing everyone to take stock and appreciate the value of the more important things in life.

The deer industry has been hit hard with venison returns hit particularly hard, although at the time of writing this into the volumes are starting to return to normal within the markets although prices are well back. Opportunities will come out of adversity as new markets have been developed.

Velvet has remained somewhat unscathed as consumers continue to purchase velvet products in different ways. We may even see a lift in consumption as the Korean and Chinese population consume more product as they did during SARS.

On farm it has also been a bit of a struggle as we have had another very wet/cold spring and in turn the velvet harvest has been later than other years. As with last year we have a number of sale stags with heads still on at the time of cataloguing. The velvet breeding values are the stag's two year old velvet values. An update of the 3 year old information along with photos will be available on our web site as it comes to hand.

Again, every effort has been taken to cut heads correctly, giving you the ability to assess an honest weight and grade. All of the 3 year old stag's velvet will be displayed on sale day along with photos with the heads on.

Approximately 70 two year old velvet stags will be on offer. Photos of the two year olds velvet will be displayed on the day.

Once again we will offer a good selection of young hinds from our top sires, Bronx, Capone and Henshaw.

We do not feed PKE to any of our animals.

Thank you for your support in the past, we do appreciate your support and look forward to catching up on the 13th of January 2021 at 1.30pm or if that's not possible the sale will be online through the bidr auction website for anyone not able to attend.

We wish everyone a Merry Christmas and a Happy New Year.

Kind Regards
David and Lynley
Netherdale

Arawata purchased a third share in this amazing stag along with Altrive + Raincliff Station at Altrive's Stag Sale January 2016.

He was the 2016 season's best velvet sire with a tremendous 8.20kg 3yr old head. At 4yrs he went on to cut a very balanced 9.0kg at 4yr which was placed second in the 4 year class in that year's National Velvet Competition. A truly great sire in the making. His first 2yr sons are at this year's sale.

Owned in partnership with Geoff Elder (Altrive Deer). He was purchased from Netherdale. He was the sales top stag with an exceptional strong 3yr head with correct tyne placement. He cut a 9.0kg head at 4 years, which was placed fourth in the National Velvet Competition 4 year Red Class. He cut a massive 12kg at 5yrs last year. Unfortunately he died that year.
